Our source

CONSTRUCTED MAP: a fictional community for practising location and a key.

This practice map has two rows and three columns.

A1 school; A2 library; A3 park.

B1 health centre; B2 bus stop; B3 empty.

The key uses S, L, P, H and B for these places.

First decision

Where would you place the library label?

A. A2 / B. B1 / C. B3

My choice and reason:

Your evidence

BH_W6 | Use the source on page 1

1. Label A2 and B2 on the map.

A1 S: school	A2: _____	A3 P: park
B1 H: health centre	B2: _____	B3: _____

2. Add a community place at B3 and add it to the key.

3. Describe a route from school to park using the squares.
